Get A Head For The Year

6 hours per course - 3 hours a day over 2 days

Short courses available in:

NAPLAN Preparation

Review NAPLAN questions with help from specialist teachers who will refine your child's skills with questions tailored to each learning objective.

GATE and Scholarship Exam Preparation

Your child will learn strategies and develop their skills in reading, writing, mathematics, quantitative & abstract reasoning. The course develops student's comprehension and abilities in responding to each part of the exam with feedback on their work.

Essay Writing

Your child will learn great essay writing skills, how to develop their ideas and organise their writing. They will learn how to create great essays using a structure that can be adapted to any subject.

English 7-10

Your child will develop their reading and comprehension skills and revise and practise writing techniques to prepare them for the start of the year.

Maths 7-10

Your child will revise and practise essential maths skills and preview work for the upcoming year. They will learn how to break down complex maths calculations and get feedback and support from an experienced teacher.

Learning Skills

Learn how to succeed at school by gaining effective study techniques. Your child will learn time management, develop homework strategies and goal setting and motivation skills.

Boost student results

Be one of the over 150,000 students who have boosted their academic performance with Academic Task Force.

Get a head start on the year

Our Year 7-10 Head Start Program delivers quality teaching to help your child develop their academic skills, improve their performance and boost their confidence.
