### January Head Start Program Short Courses

**6 hours per course - 3 hours a day, over 2 days**

**Starting High School? We have classes  
for students going into Year 7.**

#### NAPLAN Preparation

Review NAPLAN questions with help from specialist teachers who will refine your child's skills and hone in on problem areas.

#### Essay Writing

In only 6 hours learn essay writing skills that will refine writing skills for life. Your child will learn how to create great essays using a structure that can be adapted to any subject.

#### Foundation Maths and English

Recommended for students in Year 6 going into Year 7 who would benefit from some extra help, skills development, motivation and confidence in their high school studies. The classes will review important foundational concepts from year 6 and preview concepts covered in early high school years.

#### Learning Skills

Learn effective study techniques. Improve time management, develop successful homework strategies. Your child will learn many study skills to prepare them for high school.
